Dealer notes

Experience the future of driving with this stunning 2020 Tesla Model 3 Long Range AWD. Finished in a gorgeous Pearl White Multi-Coat exterior that perfectly complements its sleek, aerodynamic silhouette, this vehicle represents the pinnacle of modern electric vehicle design. Step inside to find a premium, minimalist Black interior that offers a clean, sophisticated atmosphere for both drivers and passengers alike. As one of the most sought-after electric sedans on the market, this Model 3 combines eco-conscious efficiency with undeniable curb appeal, making it the perfect upgrade for any daily commute or weekend adventure. Beneath its stylish exterior lies an advanced Dual Motor All-Wheel Drive system, engineered to deliver exceptional traction and control in all weather conditions. The 2020 Tesla Model 3 Long Range AWD offers instant torque and effortless acceleration, providing a responsive and thrilling driving experience without a single drop of gasoline. With its dual-motor setup distributing power independently to both the front and rear wheels, you can navigate sharp corners and inclement weather with absolute confidence. This advanced electric powertrain not only maximizes efficiency but also ensures a remarkably quiet, smooth ride that redefines modern performance. Inside the cabin, this electric sedan is packed with industry-leading technology and comfort features designed to enhance every journey. The expansive all-glass roof floods the interior with natural light, creating an open and airy cabin experience, while the signature 15-inch center touchscreen puts navigation, climate controls, and media right at your fingertips. Dual-zone automatic climate control, premium materials, and power-adjustable heated front seats ensure a comfortable ride for everyone on board. Do not miss the opportunity to own this highly capable, stylish, and technologically advanced electric vehicle—contact us today to schedule your viewing.
