Dealer notes

2024 Hyundai Sonata 4-Door SEL. Locally owned, one-owner car with a clean service and Auto Check history. 2024 Hyundai Sonata SEL & Description Overview The 2024 Sonata SEL pairs a naturally aspirated 2.5L inline-4 SULEV engine (191 hp, 181 lb-ft) with an eight-speed automatic transmission and front-wheel drive. The SEL is positioned as a midlevel sedan trim that balances comfort, everyday convenience, and a comprehensive set of standard safety technologies. Powertrain & efficiency - 2.5L I4 SULEV engine producing 191 horsepower and 181 lb-ft of torque. - Eight-speed automatic transmission with gear ratios tuned for smooth acceleration and steady highway cruising. - Front-wheel drive layout. - SULEV (Super Ultra Low Emission Vehicle) certification for reduced tailpipe emissions in markets where that rating applies. Interior & comfort - Seating for five with cloth upholstery in the factory standard configuration. - Supportive front seats and a fold-down rear seatback to expand cargo flexibility. - Power adjustable driver's seat and manual adjust on the passenger side (factory standard equipment may include multi-way adjustment for the driver). - Center console with storage, cupholders and an armrest for front occupants. - Automatic climate control for consistent cabin temperature management. - Standard convenience features such as power windows and door locks, remote keyless entry, and interior illumination. Infotainment & connectivity - Central touchscreen infotainment system with smartphone integration capabilities (Apple CarPlay and Android Auto compatibility). - Bluetooth hands-free phone and audio streaming. - USB ports for device charging and media connectivity. - Steering-wheel mounted audio and phone controls for ease of use while driving. - AM/FM audio and a multi-speaker system configured for balanced in-cabin sound. Safety & driver assistance - Hyundai SmartSense suite of active safety technologies included as standard: forward collision-avoidance assist (with pedestrian detection), lane keeping assist, and driver attention warning. - Rearview camera for backing and parking visibility. - Additional safety features such as traction control, electronic stability control, multiple airbags, and anti-lock brakes are standard equipment. - Available or standard passive systems designed to protect occupants in common crash scenarios. Exterior & convenience features - Clean, aerodynamic sedan profile with body-colored exterior trim elements and integrated lighting design. - LED daytime running lights and modern taillight styling (exterior lighting is configured to match SEL trim specifications). - Alloy wheels sized to suit the SEL trim's balance of ride comfort and handling responsiveness. - Power side mirrors and hands-free trunk access components where configured as factory defaults. Warranty & ownership items (factory standard) - Manufacturer's basic and powertrain limited warranties as provided by Hyundai for the 2024 model year. - Roadside assistance and other ownership benefits per the factory warranty package. Summary The 2024 Hyundai Sonata SEL is built around a naturally aspirated 2.5L SULEV four-cylinder and an eight-speed automatic transmission, offering a straightforward combination of everyday

drivability, a midlevel comfort content, and a suite of active safety features from Hyundai SmartSense. The SEL's factory standard equipment focuses on practical connectivity, occupant comfort, and common modern safety technology to suit daily commuting and family use.
