Dealer notes

Experience the perfect blend of eco-conscious efficiency and premium luxury with this stunning 2018 Lexus NX 300h AWD. Finished in a sophisticated White exterior, this luxury compact hybrid SUV stands out on any road with its sharp, modern styling and signature Lexus design cues. For buyers seeking a refined daily driver that does not compromise on style or environmental responsibility, this 2018 Lexus NX 300h offers an exceptional ownership experience that elevates every journey. Under the hood, the 2018 Lexus NX 300h is powered by a highly efficient 2.5L 4-cylinder hybrid engine paired with an advanced All Wheel Drive (AWD) system. This intelligent drivetrain delivers confident traction and stability in varying weather and road conditions, seamlessly distributing power to ensure a smooth, controlled ride. The hybrid powertrain offers an impressive balance of responsive acceleration and outstanding fuel economy, making this luxury SUV as practical for daily commutes as it is capable for weekend getaways. Inside, the cabin features a beautifully appointed Black interior designed with passenger comfort and modern convenience in mind. Premium standard features include dual-zone automatic climate control, supportive power-adjustable front seats, and the advanced Lexus Safety System+ suite, which provides peace of mind through integrated driver-assist technologies. With its combination of hybrid efficiency, all-weather capability, and timeless luxury, this 2018 Lexus NX 300h AWD is the ideal choice for discerning buyers ready to upgrade their driving experience.
