Dealer notes

Dressed in sleek Gray, this 2015 Chevrolet Silverado 1500 is the kind of used truck that looks ready for work Monday and a weekend escape by Friday. Under the hood sits a 5.3L EcoTec3 V8 with Active Fuel Management, delivering that classic V8 confidence while still knowing when to sip instead of gulp. When the pavement ends or the weather turns, four-wheel drive and an electronic Autotrac transfer case let you dial in the traction you need without the guesswork. Its built with a tough fully-boxed frame and a handling/trailer-focused suspension setup, backed by confident 4-wheel disc brakes with antilock control and stability tech that helps keep things composed especially when hauling. Out back, the pickup box is made for real-life truck stuff, with smart touches like an easy-lift/lower locking tailgate, bed rail protection, and a handy cargo lamp for late-night loading. Deep-tinted glass, chrome bumpers and grille details, and body-color trim add a clean, purposeful look. Inside, enjoy a straightforward cabin with a 6-speaker audio system, a driver info display, and a practical rear folding bench for passengers or extra gear. And for peace of mind, a Carfax report is available for this Silverado. At Montage Motors LLC quality is never compromised we only sell hand picked high quality used cars trucks & SUV's. For our customer's peace of mind we offer: A Free Carfax Vehicle Report available on every vehicle on our website www.MontageMotors.com. A 3 month / 4500 mile
