Dealer notes

Dodge Ram Charger Lifted 4x4 SUV Project. This LE 150 ram unit has undergone a full body and paint restoration and has an extremely solid and mostly all original interior in excellent shape headliner perfect even has the big era correct style floor mats in the floor. This truck was lifted at Davis off Road several years ago before pulled off the road for restoration has approximately 8 inch suspension lift, upgraded powder coated track bar system and crossover steering as well as painted and powder coated steering components and dual steering stabilizers basically brand new 37 inch Toyota open Country Mud terrain Tires with less than 1000 miles on 14 wide steel Bart Wheels. The truck runs draft starts and operates. The only part that makes it a project currently as it needs some final trim installation and a few other miscellaneous items installed. It has gotten pushed to the side due to the busyness of other projects currently. Call for any questions or details. These are just about impossible to find in this type of solid condition. If you're viewing this on any platform other then davis4x4.com or davisautosales.com please go to those websites directly to view more photos and the most accurate information. For financing assistance with multiple credit unions and lenders in state and out of state apply at www.davis4x4.com.
