### Dealer notes

The 2015 Ford Fusion Energi Titanium is a well-equipped plug-in hybrid sedan that combines premium comfort, fuel-saving efficiency, and smooth everyday performance. Powered by a 2.0-liter four-cylinder engine paired with an electric motor for a combined 188 horsepower, this Fusion Energi delivers quiet, refined acceleration and the flexibility of both electric and gasoline operation. Paired with an automatic transmission and front-wheel drive, it offers a comfortable and composed driving experience that is especially well suited for commuting and longer highway trips. With 150,335 miles, this Fusion continues to offer an appealing balance of efficiency, practicality, and everyday usability. The Titanium trim adds a more upscale feel to the Fusion's sleek four-door design, with a refined cabin, quality materials, and a comfortable layout for both driver and passengers. Its plug-in hybrid system gives owners the convenience of electric driving for shorter trips while retaining the range and flexibility of a gasoline engine when needed. Combining premium appointments, hybrid efficiency, and the practicality of a midsize sedan, the 2015 Ford Fusion Energi Titanium is a smart and versatile choice for drivers looking to reduce fuel use without giving up comfort or convenience.
