Dealer notes

Fun and functional, our 2022 Ford Maverick XL SuperCrew is designed to defy expectations in Shadow Black! Powered by a TurboCharged 2.0 Liter EcoBoost 4 Cylinder delivering 250hp to an 8 Speed Automatic transmission. As a result, this Front Wheel Drive truck is just as happy towing and hauling as it is scoring nearly 30mpg on the highway. Our Maverick is packed with pure truck DNA, too, and it shows through with LED lighting, a sporty black mesh grille, bold wheels, and a robust and versatile cargo bed. Our XL cabin offers room for five with comfortable cloth seats, a multifunction steering wheel, air conditioning, power accessories, and a premium infotainment system. Adding impressive digital convenience, the setup bundles an 8-inch touchscreen, Apple CarPlay, Android Auto, WiFi compatibility, Bluetooth, and a six-speaker sound system. Features like those make this a fantastic choice for everyday driving and busy weekends alike! It's a safe bet that you'll feel confident in this truck, thanks to Ford driver-assistance technology like a backup camera, automatic braking, forward collision warning, pedestrian detection, ABS, stability/traction control, and more. Our Maverick XL is a small truck for owners with big ideas! Save this Page and Call for Availability. We Know You Will Enjoy Your Car Ave Test Drive Towards Ownership!
