Dealer notes

Command the road in this striking 2019 GMC Sierra 1500 4WD Double Cab Elevation, presented in a sharp Quicksilver Metallic exterior. Combining bold truck styling with everyday functionality, this full-size pickup stands out with its aggressive stance and functional 4-inch round LPO black tubular assist steps. Engineered to offer the ideal mix of interior passenger space and cargo capability, this Double Cab 147" configuration delivers the versatile utility modern truck buyers demand.Under the hood, the powerful 5.3L EcoTec3 V8 engine delivers the robust horsepower and torque needed for confident hauling, towing, and highway passing. Matched with a capable Four Wheel Drive system and the specialized X31 Off-Road Package, this Sierra 1500 is factory-equipped to handle rough terrain, unpaved trails, and inclement weather conditions with ease. Whether you are navigating demanding job sites or heading off the beaten path for a weekend getaway, this truck provides uncompromised performance.Inside the cabin, the Jet Black interior combines functional design with tailored comfort. The included Elevation Convenience Package equips the vehicle with supportive bucket seats, while the Preferred Package adds extra operational convenience to enhance every trip. Powerful, stylish, and built for capability, this 2019 GMC Sierra 1500 Elevation 4WD is ready to work or play—contact us today to schedule your test drive!
