Looking for a sharp-looking, V8-powered pickup with modern technology and premium features? This 2023 Ram 1500 Sport Crew Cab 4WD delivers the perfect combination of HEMI performance, aggressive styling, and everyday comfort. Under the hood is the legendary 5.7L HEMI V8 with eTorque mild-hybrid technology, producing 395 horsepower and 410 lb-ft of engine torque. Paired with a smooth 8-speed automatic transmission and 4WD, this Ram offers the power and capability you expect from a full-size pickup. The eTorque system provides electric torque assistance during certain driving conditions, helping improve stop-start operation and overall efficiency without sacrificing the familiar performance of a HEMI V8. Finished in White with 62,488 miles, this truck features a desirable panoramic sunroof, spacious Crew Cab interior, and bold Sport styling. With a CARFAX report showing no accidents and an asking price of \$34,789, this Ram offers an excellent combination of performance, comfort, and value.
