Dealer notes

Brand New 2019 Sure-Trac Hydraulic Scissor Dump trailer.If you are looking for the Best quality Dump Trailer on the Market here it is. 2019 Sure-Trac Hydraulic Scissor Dump. 7 x 14 and 14K capacity - (7 tons) Its the Big Boy - And you can finance it WAC with Sheffield Financial Synchrony Car Care or Trailer Solutions Financial and many case with ZERO money down WAC.Why is this a top quality Dump trailer? Powder Coated finish in every nook and cranny TUBE frame construction on the Frame Tongue Box and floor supports Professional wire harness with Automotive style Connections. And the Scissor lift only requires pump and battery power on the way up resulting in more battery power each day for multiple jobs. On the way down the hydraulic pressure is bled off with a solenoid safe and quiet. The power pump has a top quality deep cycle marine grade battery and the on board charger that plugs into any 110 outlet. It also comes with a battery connector to charge from a vehicle if needed. Most dealer/brands make you pay extra for a charger or just don't include one at all.The factory has also included an under bed tool storage tray for rakes shovels chains and boomers so you don't need to carry that equipment in your truck or worry about them walking away at the job site.This dump box is made with a very thick floor 10 gauge (that's thicker than a 11 or 12 gauge floor) lower the number the thicker the steel. The rear dump combination door works as a barn door or as a dump spreader tail
