Dealer notes

The 2013 Ford F-150 4WD SuperCrew 145" SVT Raptor is a formidable pickup that couples performance with cutting-edge technology and luxury. Exuding a distinct aesthetic, its Blue Flame Metallic exterior turns heads, while the rugged design speaks to the powerhouse performance it harbors. Complementing its exterior, the interior is dressed in an elegant Black with Blue Accents color scheme, adding a touch of sophistication amidst its robust capabilities. Under the hood, this model boasts a mighty 6.2L 8-cylinder engine, ensuring it doesn't just look the part but also delivers exceptional power and performance on and off the road. With its four-wheel drive drivetrain, drivers can confidently tackle any terrain, from rocky trails to smooth highways. The SVT Raptor style further enhances its off-road prowess, supported by a towing package that solidifies its utility by providing the muscle needed for heavy-duty towing tasks. The F-150 SVT Raptor isn't just about power and ruggedness; it also comes loaded with luxury and technology features. Equipped with a moonroof and power seats, it offers comfort and style for both driver and passengers. The vehicle's Bluetooth connectivity and telematics ensure seamless integration with modern devices for an enhanced driving experience. Safety is enhanced with features like parking assist, a safety package, keyless entry, front and rear view cameras, as well as a convenient tailgate step. The luxury equipment group and plus package round out this exceptional vehicle, providing both refinement and functionality.
