Dealer notes

ONLY 20K ORIGINAL TWO OWNER MILES!!! Super rare Imperial Red factory paint color with 2-tone Ash/Charcoal Leather interior. Yes, you read it right, this 1998 Mercedes-Benz SLK230 Kompressor Roadster has just 20K original Carfax certified miles since new! Amazing garage kept condition inside and out, and finished in the super rare Imperial Red (only offered in Imperial Red in 1996-98 model years) over the also rare 2-tone Light Gray (Ash) and Charcoal leather interior. This car has just 20K original miles since new and was originally a local Cincinnati One Owner vehicle until it was sold in 2019 with just 18K miles. The previous owner drove the car only on the nicest of days over the past 5 years and 1,000 miles before trading it on a vehicle in the Indianapolis area where we acquired it. The car runs and drives great with all major functions in excellent working order including the full power retracting convertible hard top and cold AC. The car does have an upgraded Bluetooth radio sending signals to the original sound system and the original cassette player is included with the vehicle. If you are looking for a beautiful and ultra low mileage classic Mercedes-Benz roadster at a great value, don't miss out on this exceptional example!
