Dealer notes

4.8ltr EFI V-8 engine Chevrolet steel wheels, good rubber all around. Rides and drive well. The blower motor resistor needs to be replaced so that the A/C and heater can function. We do not work on our vehicles here, that is why we sell them in AS - IS condition. It has a Chevrolet AM/FM radio. If you are looking for what seems to be a reliable heavy duty work vehicle, then this may be what you are looking for at a reasonable price. Come on in and take a closer look.
