Dealer notes

CLEAN & CLEAR TITLE – 2021 Ford Bronco Sport Badlands 4x4 – 95,906 Miles – ONE OWNER – CLEAN CARFAX – Oklahoma Vehicle – Fully Loaded This 2021 Ford Bronco Sport Badlands 4x4 is a loaded, adventure-ready SUV with an excellent history: ONE OWNER, CLEAN CARFAX, clean and clear title, and Oklahoma ownership. Finished in classic Oxford White over the distinctive Ebony/Roast interior, this Badlands delivers significantly more capability and equipment than a typical Bronco Sport. Power comes from the desirable 2.0L EcoBoost turbocharged 4-cylinder, paired with an 8-speed automatic transmission and an advanced 4x4 system. This example is further equipped with the Badlands Package, Ford Co-Pilot360 Assist, Class II Trailer Tow Package, and 235/65R17 all-terrain off-road tires. Vehicle History & Condition This Bronco Sport has an excellent background: CLEAN & CLEAR TITLE CLEAN CARFAX NO Accidents Reported ONE OWNER Oklahoma Vehicle 95,906 Miles Its Oklahoma history is particularly attractive for Midwest shoppers looking for a vehicle that has not spent its entire life exposed to Michigan's road salt and harsh winter conditions. With nearly 96,000 miles, normal cosmetic and mechanical wear associated with age and mileage should be expected, but its ownership and vehicle-history profile make this a strong example to consider. Why This Bronco Sport Stands Out The Badlands is the performance and off-road-focused version of the Bronco Sport, and this one is loaded with the equipment buyers typically want. Unlike Bronco Sports equipped with the smaller engine, the Badlands receives the more powerful 2.0L EcoBoost, producing approximately 250 horsepower and 277 lb-ft of torque. Its upgraded 4x4 hardware and terrain-focused equipment make it considerably more capable when conditions move beyond ordinary pavement. Badlands Off-Road Capability 2.0L EcoBoost Turbocharged Engine 8-Speed Automatic Transmission Advanced 4x4 System Terrain Management System with G.O.A.T. Modes Off-Road-Tuned Suspension 235/65R17 All-Terrain Off-Road Tires Trail Control as equipped Underbody Protection as equipped Electronic Rear Differential Locking Capability as equipped Hill Descent Control as equipped Whether dealing with snow, dirt roads, trails, or everyday driving, the Badlands configuration was designed to provide capability without sacrificing the compact dimensions and maneuverability that make the Bronco Sport easy to live with. Badlands Package & Premium Features The Badlands Package adds desirable comfort and convenience equipment to the already well-equipped off-road trim. Features include, as equipped: Premium Ebony/Roast Interior Heated Front Seats Power Driver Seat Heated Steering Wheel Remote Start Intelligent Access Push-Button Start Dual-Zone Automatic Climate Control Premium Interior Appointments Front & Rear Floor Liners Carpeted Floor Mats Technology & Ford Co-Pilot360 Assist The Ford Co-Pilot360 Assist package adds advanced technology designed to make highway travel and everyday commuting easier. Equipment includes, as equipped: Adaptive Cruise Control Lane Centering Pre-Collision Assist Automatic Emergency Braking Blind Spot Information

System Cross-Traffic Alert Lane-Keeping System Navigation SYNC Infotainment System Apple CarPlay Android Auto Bluetooth Backup Camera Class II Trailer Tow Package The factory Class II Trailer Tow Package with Trailer Sway Control adds useful versatility for owners who plan to bring additional equipment along for their adventures. Trailer Sway Control works with the vehicle's stability systems to help manage unwanted trailer movement, adding confidence when properly towing within the vehicle's rated capacities.
