Dealer notes

3.5Lltr EFI V-6 engine, A/C and heater are in working order. Vehicle is equipped with Honda alum. alloy wheels with good rubber on rear. This vehicle does ride and drive well but it does have a few things that need attention. The sliding doors are not funtioning as they should (we think rolloers are going bad). It also needs a entertainment system access code (can be acquired from any Honda dealer with VIN). It has rear A/C and heater controls. The engine and transmission are functioing as they should (it\'s a Honda). If this sounds like something that you may be interested in, come on in for a closer look.
