Dealer notes

Our Accident-Free 2020 Dodge Durango GT Plus loves to be taken out on the road, where it can show off its muscular White Knuckle design! Motivated by a 3.6 Liter Pentastar V6 that generates 295hp connected to an 8 Speed Automatic transmission for capable towing. This Rear Wheel Drive SUV also rewards you with confident handling even when the going gets rough, and it scores nearly 26mpg on the highway. Our dynamic Durango comes ready for action with a power sunroof, performance-style grille, LED lighting, fog lamps, 20-inch wheels, a power liftgate, and bright-tipped dual exhaust outlets. Crafted with families in mind, our GT Plus cabin rewards you with heated front and second-row seats, a heated leather-wrapped steering wheel, remote start, tri-zone automatic climate control, keyless access, and pushbutton ignition. You're in command with a 7-inch touchscreen, voice control, Apple CarPlay®, Android Auto®, Bluetooth®, a six-speaker audio system, and a 7-inch TFT digital instrument panel to help track key vehicle information. Dodge focuses just as much on safety as on performance, so a rearview camera, rear parking sensors, ABS, stability/traction control, trailer-sway control, hill start assistance, and advanced airbags are standard. Smart and powerful, our Durango GT Plus is meticulously engineered to conquer your adventures! Save this Page and Call for Availability. We Know You Will Enjoy Your Test Drive Towards Ownership!
