Dealer notes

This 2012 Honda Civic LX is a practical and fuel-efficient sedan with 165,318 miles, a 1.8L 4-cylinder engine, automatic transmission, and front-wheel drive. The Honda Civic is known for reliability, great gas mileage, low cost of ownership, and being one of the easiest cars to own and maintain. This Civic has a solid CARFAX history with 22 service history records, 48 detailed records available, and was last owned here in Washington. CARFAX does show moderate damage reported, but the strong service history helps show it has still been maintained over time. It is a great option for commuting, students, first-time buyers, delivery driving, or anyone needing an affordable daily driver. At TNT AUTO & RV SALES, we offer financing through banks and credit unions, and cash deals can be done in 30 minutes or less. We are a family-owned dealership serving Tacoma for almost a decade and one of the highest-rated dealers in the area with a 4.6/5 Google rating.
