Dealer notes

Elevate your daily drive and weekend adventures with this striking 2020 GMC Canyon 4WD Crew Cab 128" SLE. Dressed in a sophisticated Satin Steel Metallic exterior, this midsize pickup truck perfectly balances eye-catching style with everyday utility. The highly desirable Crew Cab configuration ensures plenty of room for passengers and gear alike, making it the ideal choice for drivers who demand versatility without sacrificing a commanding road presence. Whether navigating city streets or heading off the beaten path, this truck delivers the premium aesthetic and rugged charm that GMC is known for. Under the hood, this 2020 GMC Canyon is powered by the highly capable 2.8L Duramax Turbo-Diesel DI 4-cylinder engine, offering an exceptional blend of low-end torque, efficiency, and robust capability. Paired with a rugged Four Wheel Drive (4WD) system, this pickup is engineered to tackle challenging terrains, inclement weather, and demanding payloads with absolute confidence. The diesel powertrain provides the muscular performance needed for hauling and towing, ensuring that this midsize truck works just as hard as you do while maintaining refined driving dynamics. Inside, the cabin features a sophisticated Jet Black interior designed for modern comfort and convenience. Driver and front passenger comfort is elevated with heated seats, while the premium cabin experience is enhanced by the 8" diagonal GMC Infotainment System with Navigation and the immersive Bose premium 7-speaker audio system. Safety and road awareness are also prioritized thanks to the advanced Driver Alert Package. This exceptionally equipped 2020 GMC Canyon 4WD Crew Cab 128" SLE represents the perfect fusion of diesel capability, premium technology, and sophisticated style, making it an outstanding choice for your next vehicle.
