Dealer notes

FULLY SERVICED AND READY TO GO! 1995 Saturn SL2. ONLY 40K ORIGINAL MILES! Yes, forty thousand miles on a 1995! This two-owner Saturn is an increasingly rare survivor that drives like new, blows cold A/C, and rides on a brand-new set of tires. The CARFAX shows an exceptionally low-mileage history with just one minor accident reported over more than 30 years on the road. Simple, economical, easy to drive, and from an era when cars didn't need dozens of computers to get you across town. It will go through our shop for inspection and service before delivery and is already priced at its post-service price. Finding a 1995 anything with 40k miles is unusual. Finding one this nice is just plain fun. **Please call or text before coming to verify price and availability. ***12-Month Maintenance Plan: \$299 on any vehicle. FREE with full asking price (excludes New Arrival vehicles). ****Nationwide warranties available on most vehicles starting at \$199, with terms up to 5 years. *****Our full-service repair shop, Turnage Auto Care Center, is here to keep you on the road.
