Dealer notes

This 2017 Dodge Journey GT AWD is a well-equipped SUV with only 92,963 miles, a 3.6L V6 engine, automatic transmission, and all-wheel drive. It shows 29 service history records, regular oil changes, only 2 previous owners, and was last owned here in Washington. The GT trim gives this Journey a nicer, more comfortable feel with strong V6 power, a smooth ride, and practical SUV space. With AWD, good service history, and lower miles for the year, this Dodge Journey is a solid choice for commuting, family use, road trips, or anyone looking for an affordable SUV with room and capability. At TNT AUTO & RV SALES, we offer financing through banks and credit unions, and cash deals can be done in 30 minutes or less. We are a family-owned dealership serving Tacoma for almost a decade and one of the highest-rated dealers in the area with a 4.6/5 Google rating.
