Dealer notes

Discover the perfect blend of premium styling and everyday utility with this stunning 2013 GMC Acadia FWD 4dr SLT w/SLT-2. Cloaked in a head-turning White Diamond Tricoat exterior and beautifully paired with a refined Light Titanium interior, this midsize crossover SUV commands a strong road presence while offering an inviting cabin. Designed for buyers who refuse to compromise on elegance or capability, this vehicle stands out as an exceptional choice for modern families and active individuals alike. Under the hood, this 2013 GMC Acadia is powered by a dependable and responsive 3.6L 6-cylinder engine, engineered to deliver smooth acceleration and confident performance. The front-wheel-drive configuration ensures balanced handling for your daily commutes and highway travels. Adding to its overall capability, this model comes equipped with trailering equipment, giving you the added utility needed to tow light trailers or recreational gear on your next getaway. Inside the cabin, a host of premium features elevates every journey. Passengers will appreciate the open, airy feel of the dual Skyscape 2-panel power sunroof, complete with a tilt-sliding front and a fixed rear glass panel. This vehicle also features a sophisticated technology package and an advanced audio system color touch navigation AM/FM/SiriusXM/HD radio with a CD/DVD player, keeping you seamlessly connected and entertained. Ready for your next adventure, this beautifully equipped SUV offers the perfect combination of technology, style, and versatility.
