Dealer notes

Ready to elevate your business or commercial fleet with uncompromised versatility and German engineering, the 2024 Mercedes-Benz Sprinter Cargo Van 2500 Standard Roof I4 Diesel HO 144" RWD stands out as an industry-leading workstation on wheels. Finished in a clean Arctic White, this cargo van pairs a professional, sleek profile with exceptional functional design. Built on a maneuverable 144-inch wheelbase, it strikes the ideal balance between generous interior cargo capacity and effortless urban agility, making it the perfect choice for trade professionals, delivery fleets, and custom commercial applications.Under the hood, this Sprinter is driven by a potent 2.0L 4-cylinder High-Output (HO) Turbo Diesel engine, engineered to deliver robust low-end torque and outstanding efficiency under heavy loads. The rear-wheel-drive (RWD) drivetrain optimizes weight distribution and traction when fully loaded, ensuring steady handling and dependable towing capability across varied road conditions. Whether navigating busy city traffic or cruising on the open highway, this high-output diesel powertrain provides the long-term reliability and low cost of operation that demanding businesses require.Inside, the cabin functions as a seamless mobile office equipped with top-tier technology and convenience features. This vehicle features the coveted Premium Plus Package alongside built-in Navigation, keeping you connected and on schedule wherever the job takes you. Tight parking spaces and cluttered job sites are easily managed thanks to the Parking Package with a 360-degree camera system, offering complete surround-view visibility for safer maneuvering. Combined with a spacious high roof build for easy interior access and stand-up comfort, the 2024 Mercedes-Benz Sprinter Cargo Van 2500 delivers the luxury, capability, and modern tech needed to take your operations to the next level.
