### Dealer notes

The 2016 GMC Yukon XL 4WD 4dr SLT in Summit White is a versatile and stylish SUV that combines bold design with advanced features. With its robust 5.3L EcoTec3 V8 engine, this full-size SUV offers impressive performance while maintaining efficiency and power. Its Four Wheel Drive drivetrain ensures excellent handling and traction, making it ideal for a variety of driving conditions. Inside, the Yukon XL offers spaciousness and luxury with Jet Black perforated leather-appointed seating, including convenient 3rd-row seating for additional passengers. The interior is equipped with modern technology to enhance your driving experience, featuring a cutting-edge audio system with an 8" diagonal color touch screen navigation and IntelliLink. Comfort is paramount with heated and ventilated seats for both the driver and passengers, as well as a hands-free liftgate that adds ease to loading and unloading. Safety and convenience are at the forefront of the Yukon's design, with a suite of features like a blind spot monitor and forward collision warning for added peace of mind. Parking assist and rain-sensing wipers further simplify driving in various conditions, while the towing package offers robust capability for hauling needs. This model is also equipped with the California state emissions requirements, ensuring it meets specific environmental standards. The addition of the license plate front mounting package rounds out its practical and polished appearance. No Additional Fees!
