Dealer notes

Original MSRP: \$130,000. A properly spec'd example of Porsche's redesigned 971-generation Panamera 4S, finished with the right enthusiast options that transform the car from luxury sedan to true four-door sports car. Powered by a 2.9L twin-turbo V6 producing 440 horsepower and paired with Porsche's lightning-fast PDK transmission and all-wheel drive, the Panamera 4S delivers sports car acceleration with executive comfort. With Sport Chrono and Sport Exhaust, this example provides the full Porsche driving experience - sharp throttle response, aggressive shifts, and the signature exhaust note missing from most luxury sedans. Factory Performance & Driving Options: Sport Chrono Package, Adaptive Air Suspension w/ PASM, Sport Exhaust System w/ Black Tailpipes, Porsche Traction Management (AWD), Drive Mode Selector (Normal / Sport / Sport Plus / Individual). Exterior Options: 21" 911 Turbo Design Wheels, SportDesign Package, High Gloss Black Window Trim, Model Designation Painted, Colored Porsche Crest Wheel Caps. This configuration gives the car a far more aggressive presence than standard Panameras - visually closer to a Turbo model. Interior & Comfort: Black Leather Interior, Premium Package Plus, Porsche Crest Embossed Headrests. The redesigned 971 interior is fully driver-focused with a wide center console, digital gauge cluster and modern infotainment. This one was ordered as a driver's car - Sport Chrono, Sport Exhaust, PASM and SportDesign.
