Dealer notes

Maximize your business potential with this versatile and dependable 2021 GMC Savana Commercial Cutaway 3500 Van 177". Engineered as the ultimate foundation for your commercial fleet, this robust cutaway van features a generous 177-inch wheelbase, offering a highly adaptable chassis ready to accommodate a wide variety of specialized upfits, service bodies, or cargo boxes. Finished in an eye-catching Special Exterior Color, this vehicle provides a professional and commanding road presence that represents your brand with distinction wherever the job takes you. Under the hood, this commercial workhorse is powered by a commanding 6.6L 8 Cylinders engine that delivers the exceptional horsepower and torque required to transport heavy payloads with ease. The Rear Wheel Drive/DRW (Dual Rear Wheel) drivetrain configuration ensures superior traction, stability, and load-bearing capacity, making it exceptionally well-suited for demanding hauling and towing tasks. Whether navigating busy urban jobsites or maintaining highway speeds under a heavy load, this heavy-duty powertrain delivers the reliable performance your business demands. Inside, the cabin features a durable Medium Pewter interior designed for comfort and efficiency during long days on the road. The driver's experience is significantly enhanced by the Driver Convenience Package and the Power Convenience Package, which includes convenient power door locks. To help keep your team safe on the move, this model comes equipped with advanced driver assistance features including Forward Collision Alert. Secure this 2021 GMC Savana Commercial Cutaway 3500 for your fleet today and gain a reliable partner built to drive your business forward.
