Dealer notes

Command the road and the trail with this aggressive 2017 Ford F-150 Raptor 4WD SuperCrew 5.5' Box. Finished in a menacing Shadow Black exterior, this high-performance pickup combines relentless capability with an unmistakable, broad-shouldered design. The spacious SuperCrew cabin configuration provides generous legroom and everyday versatility, making it the ideal choice for performance enthusiasts who need a serious off-road machine that handles daily driving and weekend excursions with equal authority. Under the hood, this truck is powered by a high-output 3.5L 6-cylinder engine paired with an advanced Four Wheel Drive system, delivering immediate throttle response and massive terrain-conquering power. Enhancing its off-road pedigree, this Raptor rides on 17-inch forged aluminum bead-lock capable wheels that provide superior strength and tire security under low-pressure, demanding driving conditions. From loose gravel to rocky trails, the robust 2017 Ford F-150 Raptor chassis and mechanical design ensure supreme confidence and control across any surface. Inside, the cabin features a refined Black interior environment packed with driver-centric equipment and luxury appointments. Natural light fills the spacious interior thanks to the factory Twin Panel Moonroof, while premium features are seamlessly integrated via Equipment Group 802A Luxury, Equipment Group 801A Mid, and the advanced Raptor Technology Package. Combining extreme off-road utility with modern cabin technology, this Shadow Black 2017 Ford F-150 Raptor represents the pinnacle of factory-built performance trucks and is ready for its next owner.
