Dealer notes

This 2000 Jaguar XKR Supercharged Convertible is finished in Platinum with a Light Beige leather interior and rides on 18-inch factory alloy wheels. With only 61,606 miles, a clean title, and a good CARFAX report, this XKR is a well-kept example that combines Jaguar luxury with supercharged V8 performance. Under the hood is a supercharged 4.0L DOHC V8 paired with a 5-speed automatic. It starts easily, runs strong, and drives very well. The Platinum paint retains a nice shine with only a few minor imperfections consistent with age and use. The power-operated soft top raises and lowers quietly at the push of a button, making it easy to enjoy as either a grand tourer or an open-air cruiser. Inside, the Light Beige leather interior is well-equipped and remains in good overall condition. There is minor wear on the driver's seat and some trim fitment issues, while the passenger and rear seating areas are in good condition. Equipment includes power heated seats, keyless entry, navigation, cruise control, ABS, driver and passenger airbags, and a factory Alpine AM/FM cassette stereo with a six-disc CD changer. With low mileage, supercharged V8 power, a well-appointed interior, and classic Jaguar styling, this 2000 XKR offers a lot of performance and luxury in a car that is ready to enjoy.
