Dealer notes

Experience the pinnacle of heavy-duty luxury and capability with the magnificent 2025 Chevrolet Silverado 3500HD 4WD Crew Cab 172" High Country. Dressed in a commanding Summit White exterior and featuring a sophisticated Jet Black interior, this dual rear wheel (DRW) powerhouse is engineered for those who refuse to compromise on strength or style. Designed to dominate the road and the job site alike, this elite truck combines bold styling with a spacious Crew Cab cabin that surrounds you in premium comfort, making it the ultimate choice for discerning buyers who demand excellence. Under the hood lies the legendary Duramax 6.6L Turbo-Diesel V8 engine, a B20-diesel compatible powerhouse that delivers relentless torque and horsepower. Paired with a robust Four Wheel Drive (4WD) system and a dual rear wheel (DRW) configuration, this 2025 Chevrolet Silverado 3500HD offers the exceptional stability and traction needed to haul massive payloads and tow heavy trailers or RVs with absolute confidence. Whether you are navigating challenging terrain or cruising down the highway under a full load, the advanced powertrain guarantees smooth, effortless performance. Equipped to elevate your driving experience, this High Country model comes loaded with high-end upgrades, including the High Country Premium Package and the advanced Technology Package for seamless connectivity and driver awareness. Passenger convenience is enhanced by the power-retractable assist steps with bright trim, which deploy automatically for easy entry into the luxurious cabin. Overhead, a power sunroof floods the Jet Black interior with natural light, creating an airy and upscale atmosphere. The 2025 Chevrolet Silverado 3500HD High Country represents the perfect intersection of raw towing capability and modern refinement, making it the premier heavy-duty truck on the market today.
