Dealer notes

Heavy-duty strength. Crew Cab versatility. Built to get the job done. This well-maintained 2022 Chevrolet Silverado 2500HD 4WD Crew Cab 172" Work Truck delivers serious V8 capability, four-wheel-drive confidence, and commercial-grade utility in a heavy-duty pickup designed to work. Finished in Summit White over a durable Jet Black interior, this long-wheelbase Crew Cab provides generous passenger space, excellent cargo capability, and the rugged construction demanded by contractors, fleet operators, and heavy-duty truck buyers. Inspected, serviced and ready to go. 4 Month/4,000-Mile Warranty. Powered by a robust 6.6L V8 gasoline engine producing 401 horsepower and 464 lb-ft of torque, this Silverado 2500HD delivers the muscle required for demanding towing and hauling applications. Paired with a heavy-duty automatic transmission and Four-Wheel Drive, it provides confident traction across changing weather, muddy job sites, and challenging terrain while maintaining the stability expected from Chevrolet's HD truck platform. Inside, the spacious Jet Black Crew Cab is designed around durability, functionality, and everyday productivity. Generous front and rear passenger room makes it easy to transport a work crew, while straightforward controls and durable materials help the cabin stand up to demanding daily use. Technology includes the Chevrolet Infotainment 3 system, touchscreen display, Bluetooth®, Apple CarPlay®, Android Auto™, rearview camera, USB connectivity, digital driver information center, steering wheel-mounted controls, and smartphone integration. Safety features include rearview camera, StabiliTrak® Electronic Stability Control, traction control, four-wheel anti-lock disc brakes, tire pressure monitoring, advanced airbag systems, daytime running lamps, and Chevrolet's comprehensive heavy-duty truck safety engineering. Convenience features include the WT Fleet Convenience Package, remote keyless entry, electronic cruise control, 120-volt instrument panel power outlet, power windows, power door locks, power mirrors, integrated trailer brake controller, and practical interior storage designed around the needs of a working truck. This exceptionally capable Silverado 2500HD features the WT Fleet Convenience Package, integrated trailer brake controller, electronic cruise control, 120-volt instrument panel power outlet, Four-Wheel Drive, and an LT265/70R17E all-terrain blackwall spare tire, providing the equipment needed for demanding work and trailering applications. Exterior highlights include the professional Summit White finish, long 172-inch wheelbase, spacious Crew Cab configuration, durable pickup box, heavy-duty chassis, functional Work Truck styling, and the commanding proportions that distinguish the Silverado 2500HD from a light-duty pickup. 401 horsepower. 464 lb-ft of torque. Heavy-duty Chevrolet capability. Call (708) 972-7914 to confirm availability today. Frequently Asked Questions Q: How much horsepower does the 2022 Chevrolet Silverado 2500HD 6.6L V8 produce? A: The 6.6L gasoline V8 produces 401 horsepower and 464 lb-ft of torque, providing substantial power for heavy-duty towing, hauling, and everyday work. Q: Is this Chevrolet Silverado 2500HD four-wheel drive? A:

Yes. This Silverado 2500HD is equipped with Four-Wheel Drive for additional traction and confidence on challenging job sites and during changing weather conditions. Q: What work and towing features does this Silverado 2500HD include? A: It features the WT Fleet Convenience Package, integrated trailer brake controller, electronic cruise control, 120-volt instrument panel power outlet, Four-Wheel Drive, Crew Cab configuration, and an all-terrain spare tire.
