Dealer notes

Clean and well-maintained 2008 Jeep Wrangler Unlimited X 4-Door with 142,907 miles. Clean title and 25 documented service records. Powered by the 3.8L V6 with automatic transmission, this Wrangler has been extensively upgraded while keeping the classic Unlimited 4-door Jeep layout. Visible upgrades include Apple CarPlay touchscreen infotainment, upgraded audio system with additional dash-mounted tweeters, custom interior accent lighting, aftermarket black/machined wheels, aggressive all-terrain tires, custom front grille, upgraded projector-style headlights, upgraded fog lights, aftermarket LED-style taillights, side steps, matching full-size spare wheel/tire, and black soft top. The white exterior with black trim and wheels gives it a sharp custom look, while the upgraded technology makes the interior feel much newer than a typical 2008 Wrangler. The Unlimited body provides plenty of passenger and cargo space, removable-top Jeep versatility, and the distinctive styling Wrangler buyers look for.
