Dealer notes

The 2012 Ford F-150 4WD SuperCrew 145" SVT Raptor is a powerhouse that commands attention with its robust performance and striking Blue Flame Metallic exterior. Equipped with a formidable 6.2L V8 engine, this Raptor is designed for both rugged terrain and smooth highways, offering an exceptional blend of power and versatility. The allure of this vehicle is further accentuated by its stylish box side graphics and hood graphics package, adding an aggressive edge to its already commanding presence. Inside, the Raptor boasts a sophisticated black interior loaded with modern conveniences aimed at enhancing the driving experience. With keyless entry and power seats, accessing the cabin and finding the perfect driving position is effortless, ensuring maximum comfort on any journey. The Raptor Luxury Package elevates the driving experience with premium touches, while the power moonroof opens the cabin to breathtaking views and a fresh breeze whenever desired. Tech-savvy features such as a comprehensive navigation system with an in-dash screen and telematics keep drivers seamlessly connected, while a robust Bluetooth system ensures hands-free communication. The vehicle's advanced safety package provides peace of mind on every excursion, and the included towing package enhances its practicality for hauling needs. As part of its four-wheel-drive drivetrain, the SVT Raptor promises superior handling in a variety of conditions, making it a steadfast companion for both everyday drives and off-road adventures.
