Dealer notes

The 2015 Honda Accord Coupe EX-L V6 is a stylish and well-equipped two-door that combines strong performance, premium comfort, and the long-term reliability Honda is known for. Powered by a 3.5-liter V6 engine producing 278 horsepower and 252 lb-ft of torque, this Accord Coupe delivers smooth acceleration and confident passing power while still remaining comfortable and easy to drive every day. Paired with an automatic transmission and front-wheel drive, it offers a refined driving experience with an estimated 21 MPG in the city and 32 MPG on the highway. With 177,966 miles, this Accord continues to offer the performance, practicality, and dependable engineering that have made the model so popular. The EX-L trim adds a more upscale feel to the Accord Coupe's sleek and sporty design, with a comfortable interior, quality materials, and a driver-focused layout. Its two-door styling gives it a more distinctive and athletic appearance than the sedan while still providing useful everyday comfort and practicality. Combining V6 power, premium appointments, strong fuel economy, and Honda dependability, the 2015 Honda Accord Coupe EX-L is a well-rounded choice for drivers looking for a sporty coupe that is still practical enough for daily use.
