Dealer notes

2018 SUBARU WRX STI TYPE RA | 1 OF 500 | CARBON FIBER ROOF & WING | GOLD BBS FORGED WHEELS | 6-SPEED MANUAL Topline Auto Group is proud to present this exceptionally rare 2018 Subaru WRX STI Type RA, finished in stunning Crystal White Pearl over a Black interior. Limited to just 500 examples for the United States, the WRX STI Type RA represents one of the most exclusive and performance-focused versions of Subaru's legendary rally-inspired sports sedan. Developed by Subaru Tecnica International, the Type RA — short for Record Attempt — was engineered with a focus on reduced weight, enhanced chassis dynamics, and improved performance. Under the hood sits Subaru's legendary 2.5-liter EJ257 turbocharged BOXER four-cylinder producing 310 factory horsepower and 290 lb-ft of torque, paired with a highly desirable 6-speed manual transmission and Subaru's advanced Symmetrical All-Wheel Drive system. Unlike the standard WRX STI, the Type RA features exclusive performance enhancements, including revised engine components, upgraded engine calibration, and STI-specific chassis tuning. One of its most distinctive features is the factory carbon fiber roof panel, engineered to reduce weight and lower the vehicle's center of gravity. The exterior is further complemented by an aggressive adjustable carbon fiber rear wing, STI front splitter, exclusive Cherry Blossom Red accents, and lightweight 19-inch gold-finished BBS forged alloy wheels wrapped in performance-oriented tires. The Type RA also benefits from an enhanced suspension system featuring STI-tuned Bilstein dampers, providing exceptional chassis response and precise handling. A high-performance Brembo braking system, featuring six-piston front and two-piston rear calipers, delivers exceptional stopping power to complement the STI's impressive capabilities. Inside, the driver-focused cockpit incorporates exclusive Type RA appointments, including supportive Recaro sport seats, distinctive red accents, and premium performance-inspired materials. Every aspect of this limited-production STI was designed to deliver a more focused and engaging driving experience while preserving Subaru's legendary all-wheel-drive performance. With its exclusive production status, lightweight carbon fiber components, turbocharged BOXER engine, 6-speed manual transmission, and unmistakable STI heritage, this 2018 Subaru WRX STI Type RA represents an exceptional opportunity for Subaru enthusiasts and collectors alike.
