Dealer notes

Command attention on and off the road with the bold 2023 GMC Sierra 2500HD 4WD Crew Cab 159" AT4. Finished in a striking Onyx Black exterior, this heavy-duty pickup combines aggressive off-road styling with premium truck refinement. Built for drivers who demand uncompromising capability alongside a commanding presence, this Sierra features sleek, black power-retractable assist steps that provide both functional convenience and an elevated side profile. Under the hood, this 2023 GMC Sierra 2500HD delivers incredible capability powered by the available 6.6L Duramax Turbo-Diesel V8 engine, which is B20-diesel compatible. Paired with an advanced Four Wheel Drive system, this robust powertrain generates the heavy-duty torque and horsepower necessary to dominate demanding job sites, handle heavy towing needs, and confidently navigate rough terrain. Inside the spacious Crew Cab, the interior offers an exclusive design aesthetic featuring Jet Black leather-appointed seating elevated by eye-catching Kalahari accents. Packed with top-tier equipment, this truck comes equipped with the AT4 Preferred Package, the AT4 Premium Plus Package, and the Technology Package, delivering an exceptional blend of modern connectivity, driver convenience, and modern utility. Combining heavy-duty strength with upscale comfort, this Sierra 2500HD AT4 is ready for work or play.
