Dealer notes

If you are searching for a dependable, spacious, and hard-working pickup, this 2008 Ford F-150 2WD SuperCrew 139" XL is the perfect choice. Finished in a sleek Silver Metallic exterior, this truck blends classic utility with an understated, professional look. The SuperCrew configuration ensures ample cabin space, making it an excellent option for those who need to transport passengers comfortably or carry extra gear. As one of America's most trusted truck lines, this F-150 XL delivers the essential functionality and robust build quality that buyers demand from a dependable pre-owned pickup. Under the hood, this 2008 Ford F-150 is powered by a reliable 4.6L EFI V8 engine, offering a proven balance of horsepower and torque to tackle your daily hauling and towing needs. Paired with a rear-wheel-drive (2WD) drivetrain and a 3.55 axle ratio, this truck is configured for smooth highway cruising and efficient power delivery. This specific model also comes equipped with a California emissions system, ensuring compliance with strict environmental standards. Whether you are navigating city streets or heading down the highway, this powertrain setup delivers the consistent, steady performance that has made the F-150 a legendary nameplate. Inside, the cabin features a practical Flint interior color scheme designed for durability and ease of maintenance, making it highly resilient to the wear and tear of daily use. Exterior utility is further supported by a functional front license plate bracket, ensuring compliance with state regulations while maintaining a clean front-end look. Combining the legendary toughness of a Ford truck with the spaciousness of a SuperCrew cab, this 2008 Ford F-150 2WD SuperCrew 139" XL represents an exceptional value for buyers seeking a straightforward, reliable, and highly capable utility vehicle.
