Dealer notes

This 2000 Ford Taurus LX is a clean and affordable sedan with only 94,817 miles and no accidents or damage reported to CARFAX. It is also a CARFAX 1-owner vehicle, was last owned here in Washington, and shows 13 service history records, which is a strong plus for an older used sedan. This Taurus has had several service items taken care of, including work on the front driver side window, 4 tires and wheels, control arm, oil filter, ball joint, sway bar, motor oil, and a battery. It is a simple, practical car for someone looking for basic transportation, a commuter, student car, or budget-friendly daily driver. At TNT AUTO & RV SALES, we offer financing through banks and credit unions, and cash deals can be done in 30 minutes or less. We are a family-owned dealership serving Tacoma for almost a decade and one of the highest-rated dealers in the area with a 4.6/5 Google rating.
