Dealer notes

CLEAN & CLEAR TITLE – 2025 Jeep Compass Latitude 4x4 – 22,356 Miles – Oklahoma Vehicle – Factory Warranty – Altitude Special Edition – Convenience Group This 2025 Jeep Compass Latitude 4x4 combines modern Jeep styling, turbocharged performance, and everyday versatility in a sharp compact SUV. Finished in Bright White Clearcoat over a Black interior, this Compass is enhanced by the Altitude Special Edition, giving it a darker, more aggressive appearance that stands apart from a standard Latitude. With only 22,356 miles, a clean and clear title, 4x4 capability, and remaining factory warranty coverage, this is an excellent option for someone looking for a newer SUV without stepping into brand-new vehicle pricing. Vehicle History & Condition This Compass has a clean and clear title and was originally a Oklahoma vehicle. Its history shows one previous incident, which has already been repaired. 22,356 Miles Clean & Clear Title Oklahoma Vehicle One Incident Reported Previous Damage Already Repaired Remaining Factory Warranty Coverage, subject to Jeep's applicable terms, time, mileage, and eligibility Unlike a rebuilt or salvage-title vehicle, this Compass retains its clean title. Why This Compass Stands Out The Altitude Special Edition gives this Compass a more distinctive appearance, while the Convenience Group adds equipment designed to make everyday driving more comfortable. Its 2.0L turbocharged engine and 4x4 system provide a strong combination for daily commuting and changing weather conditions. With its low mileage, clean title, and remaining factory coverage, it offers many of the advantages buyers look for in a late-model SUV.
