Dealer notes

Denali Ultimate Package. Adaptive Cruise Control. Rear-Seat Entertainment. This well-maintained 2018 GMC Yukon Denali 4WD features Onyx Black paint, a Cocoa/Dark Atmosphere interior, and factory 22-inch ultra-bright aluminum wheels. Power-retractable assist steps, a power sunroof, and the Denali Ultimate Package distinguish this three-row luxury SUV. Inspected, serviced and ready to go. 4 Month/4,000-Mile Warranty. The 6.2L EcoTec3 V8 produces 420 horsepower and 460 lb-ft of torque, paired with a 10-speed automatic transmission and Four-Wheel Drive. Magnetic Ride Control adjusts suspension damping to help maintain a comfortable, controlled ride. EPA fuel economy is rated at 14 MPG city and 22 MPG highway. The Denali Ultimate Package includes Adaptive Cruise Control, power-retractable assist steps, and a power sunroof. The Open Road Package adds a Blu-ray/DVD rear-seat entertainment system, giving passengers an additional entertainment option during longer trips. Comfort features include heated and ventilated front seats, heated second-row seating, a heated steering wheel, and tri-zone automatic climate control. GMC navigation, Bluetooth, Apple CarPlay, Android Auto, keyless entry, and a rearview camera provide everyday connectivity and convenience. Factory trailering equipment includes an integrated trailer brake controller, seven-way trailer connector, and heavy-duty cooling components. Actual towing capability depends on vehicle configuration and loading. The CARFAX documents 32 service history records, including regular oil changes, brake service, transmission and differential maintenance, and tire replacements. Adam Auto Group also performed a multi-point inspection, checked all fluids, and completed a fresh oil and filter change in preparation for sale. For families seeking V8 performance, premium accommodations, and entertainment for longer journeys, this Yukon Denali offers a well-equipped alternative to larger extended-length SUVs. Frequently Asked Questions Q: Does Adaptive Cruise Control make this Yukon self-driving? A: No. It can adjust vehicle speed to maintain a selected following distance, but the driver must remain attentive and in control. Q: What does Magnetic Ride Control do? A: It continuously adjusts suspension damping in response to road conditions to help improve ride comfort and handling. Q: Does this Yukon have factory towing equipment? A: Yes. The equipment listing confirms an integrated trailer brake controller and trailer wiring for compatible towing applications.
