Dealer notes

Ford F-650 6-Door Custom-Stretched Diesel Monster. This beast of a super truck is a true head-turner. Featuring a fully custom leather interior with seating for seven, it boasts a striking two-tone silver and black finish. Under the hood lies a pre-emissions Cummins diesel engine—powerful, reliable, and built to last. Rolling on massive Michelin floater tires in a super single XYZ3 pattern, the truck sits on rubber that's only a few years old with just a couple thousand miles of wear. It's equipped with a full-length running board system, making entry and exit easy despite its size. Inside, you'll find an upgraded Pioneer stereo system, while the air ride suspension and air ride cab ensure a smooth and comfortable ride. The truck is topped with a snug-fit, color-matched Lear camper shell and features dark-tinted windows, custom exhaust, mud flaps, and a rear-mounted tow hitch receiver. Recently serviced and thoroughly inspected, this F-650 is ready to go. It makes a bold statement wherever it travels and would be an ideal canvas for a company logo or wrap—guaranteed to draw serious attention.
