Dealer notes

If you are searching for the ultimate commercial workhorse that perfectly balances urban maneuverability with generous cargo capacity, this 2020 Ford Transit Connect Van XL LWB w/Rear Symmetrical Doors is the ideal solution. Finished in a classic, professional White exterior, this long-wheelbase cargo van offers an exceptional canvas for business decals and fleet branding. Designed to streamline your daily operations, it delivers the utility of a larger commercial vehicle while maintaining a compact footprint that easily navigates tight city streets, driveways, and parking garages. Under the hood, this reliable work van is powered by an efficient 2.0L GDI I-4 gas engine, delivering a capable and fuel-conscious performance designed to keep your business moving forward. The Long Wheelbase (LWB) configuration maximizes your interior cargo volume, providing ample room to transport tools, equipment, or deliveries with ease. Loading and unloading are made incredibly efficient thanks to the rear symmetrical doors, which open wide to facilitate seamless cargo loading and quick curbside access to your gear. Inside, the cabin features a practical and durable Black interior designed to withstand the rigors of daily commercial use while keeping the driver comfortable during long shifts. This 2020 Ford Transit Connect Van XL represents a smart, highly functional investment for tradespeople, delivery services, and mobile businesses looking to upgrade their on-the-road capability. Don't miss the opportunity to add this versatile and dependable cargo van to your business fleet today.
